ABOUT THE ACADEMY

The One Tree Hill College Sports Academy is a high performance programme aimed at developing our most talented sportsmen and sportswomen to reach the top of their respective sports.

The Sports Academy philosophy matches the college philosophy that students must be committing to their academic studies as a priority. A strong work ethic is critical to both the academic and sporting success of students.

One Tree Hill College has a proud and successful history in Auckland and New Zealand sporting competitions.

Our sports teams compete in the premier division across a range of sports and many students have progressed to represent Auckland or New Zealand.

The college focusses on investing in the very best coaches to develop sporting talent and has arguably the best line-up of coaches of any secondary school in New Zealand

SPORTS ACADEMY CURRICULUM

At all levels, the Sports Academy programme is a part of the curriculum. Students can gain valuable knowledge, as well as practical skills which will assist them towards achieving their NCEA.

The programme gives students the opportunity to learn the many elements of what is required to be successful, including nutrition, biomechanics, fitness, mental toughness, and the theory and history of sports.

The major codes which are focused on in the Sports Academy are:

- Baseball
- Basketball
- Football
- Hockey
- Netball
- Rugby

TEMEPARA GEORGE

The college has former Silver Fern, Temepara George as it's Netball Academy Coach. The college is developing exceptional netball talent under Temepara's coaching.
