

THE UNIVERSITY OF AUCKLAND

NEW ZEALAND

Te Whare Wananga o Tāmaki Makaurau

The University of Auckland is pleased to acknowledge the valuable contribution made by **One Tree Hill College** in preparing international students for advanced study at University level.

New Zealand schools have an excellent reputation not only for the quality of their teaching and academic facilities, but also for their pastoral care of international students, which in many cases includes home stay accommodation with a family. Most of them offer the National Certificate of Educational Achievement, which is fully accredited by the New Zealand Qualifications Authority and is recognised for admission by the University. Some schools offer the internationally recognised Cambridge International Examinations (A levels) or International Baccalaureate, which are also recognised for admission by the University.

The University of Auckland publishes in advance guaranteed rank scores for every programme of study, and all international students reaching the required standard at **One Tree Hill College** are guaranteed a place on the relevant bachelor's programme. The University is pleased to support **One Tree Hill College** as a pathway to tertiary study.

The University of Auckland

As Mayor of Auckland it is my pleasure to welcome students of One Tree Hill College to our beautiful city.

New Zealanders are known for their hospitality and as a city we welcome people from all over the world.

Auckland provides a stunning natural environment surrounded by three harbours, and is a dynamic and truly international city. More than 180 different ethnicities live here, a cosmopolitan blend of Maori, Pasifika, Asian and European cultures.

Auckland has been ranked third internationally for its quality of living. For students, it offers a great range of learning facilities including libraries, art galleries and museums. Students can gain world class education here as well as enjoy our stunning parks and beaches, theatres, restaurants, cafes, festivals and host of different cultural experiences.

My vision is to make Auckland the world's most liveable city – prosperous, inclusive and an eco-city which protects its fantastic natural gifts.

To realise this vision, a global city needs global partnership to make it truly great. As diverse and well travelled people, Aucklanders have connections throughout the world. We value our international relationships which allow us to create educational and cultural exchanges as well as mutual economic opportunities.

We look forward to welcoming you to Auckland to experience its pleasures for yourself. I hope you will make the most of your time here and I wish you well with your studies.

Nga mihi
