Principal's Message

Dear Parents and Caregivers

I would like to extend a warm welcome to our new and returning students and staff. It has been wonderful seeing familiar faces, and meeting our new Year 9 students and their parents. Last Friday a powhiri welcoming our new students and their families was well attended, and it was great to see how many parents are already determined to be actively engaged in their child's school.

The year has already started very well with the release of our NCEA achievement results for 2017 - which were excellent, emphasising the high quality teaching and learning taking place at the college. Student achievement was outstanding across all NCEA levels, as well as in literacy and numeracy.

I would like to congratulate the many students who were endorsed with either merit or excellence in their NCEA last year. To succeed at such high levels are outstanding achievements and we are all very proud of these students. At our senior assemblies over the next two weeks we will honour these students with 'Academic Excellence' awards and challenge all other students to emulate their success this year.

This year has also seen the college grow considerably in student numbers at all levels, with in excess of 250 Year 9 students enrolled. This is a very positive indication from our community that they are enjoying the excellent work being done at the college.

As we have done in previous years, we will continue to place significant emphasis on our 'Attitudes to Learning' which are fundamental to student success and are detailed in this newsletter. Two of these attitudes which we have stressed this week have been ensuring all students are on time to school (8:50am for a 8:55am start to lessons) and in the correct uniform. This year there are new bell times (see next page). Please remember that school begins on a Tuesday at 9:15am for a 9:20am start to teaching and learning. This year we have introduced a school cap to our uniform list. These are \$15 and are available for purchase from the Student Services Centre. Students are reminded these are to be worn outside only.

I am pleased to announce our Head Prefects for 2018:

Head Boy:	Bai Buliruarua	Deputy:	Sake Tafea
Head Girl:	Ariana Guptill	Deputy:	Nicole Cullen

They are all excellent young leaders who will serve our students, college and community very well. Their leadership skills are already very evident and will be of real benefit to the student body throughout 2018.

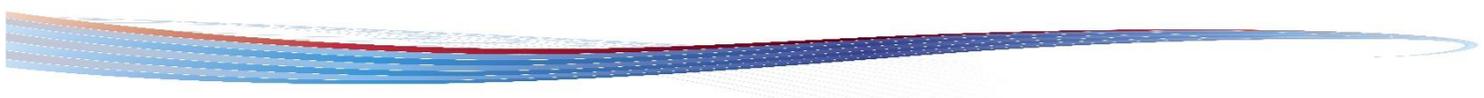

I look forward to meeting you all throughout the year and would like to wish our students every success in 2018.

Best Wishes,

N Coughlan
Principal

ID Cards & School Diary

All junior students are required to purchase a 2018 College Diary (\$5) and all students are required to purchase a Student ID card (\$8). In 2018, the Student ID card will be required by all students to gain student discounts and fares, as well as allowing students to borrow books from the Library, print documents from the computers, and/or use the photocopiers. The ID photos will occur on Monday 19 February, when diaries will also be given out. This is the only opportunity for students to get an ID card so ensure your child has the correct money in cash with them on Monday 19 February.

Carparking

For the safety of all students, parents are asked to collect their child outside of the school grounds each afternoon. The best way to do this is to arrange with your child to walk out and meet you in a neighbouring side street off Rockfield Road. We know that this is a slight inconvenience, but student safety is always our number one concern. There is to be no double parking in the school grounds.

Central Park Business Area and Ellerslie Township

Students are reminded that they are not permitted to use the Central Park area as a thoroughfare to and from Ellerslie, nor are they to loiter in Ellerslie. Can parents please reiterate this message to all students to avoid trespass orders being issued.

Whānau Leaders 2018

The introduction of the whānau system at One Tree Hill College has been very successful and much of that success is down to the excellent leadership at the helm of each whānau. If you have any questions with regards your child or the college in 2018, please do not hesitate to contact your child's Whānau Leaders:
