## Principal's Message

### Dear Parents and Caregivers

Last night I was privileged to attend the Auckland College Sport Young Sportsperson of the Year Awards at Eden Park. This awards ceremony has been held since 1991 to celebrate the outstanding sporting achievements of Auckland secondary school students. This year, two of our students, Beth Reid and Savannah Cook, were nominated in the sports of softball and basketball respectively. This is outstanding recognition for two very talented sportswomen. A special mention to Beth Reid who also won the softball player of the year. Congratulations to you both on these wonderful awards.

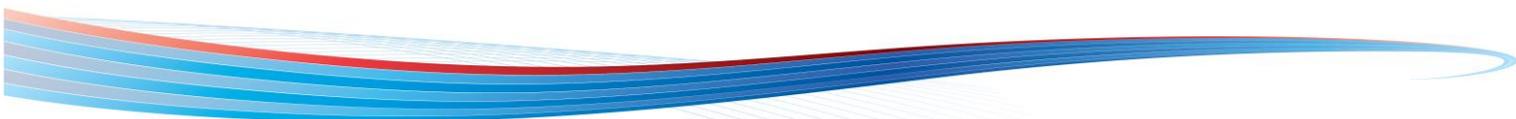

Today, junior students began their end of year examinations. I was very impressed by the high level of focus and determination to do their very best that the students showed. Today the Year 9 students sat their examinations in the Auditorium. All year 10 students will sit their examinations in the Auditorium on Monday. Examinations for both year levels continue on Monday. The results of these examinations will be communicated to parents in their end of year report which will be distributed on the last day of school.

Finally, as I noted in my previous newsletter, I have had the privilege recently to preview the 2019 One Tree Hill College Yearbook. It is a fabulous publication which collates the highlights and happenings of the year. It is packed full of photos and memories of student events and achievements which have been compiled by editor, Mr Langdon. Can I please remind families, that only students who have paid their school donation are eligible to receive a yearbook. This wonderful publication will be available and be distributed during the last week of the school year. If you have not paid your school donation and wish to purchase a yearbook you can do this by paying \$15 to the Student Services Centre.

Best Wishes,

N Coughlan  
Principal

## Measles in Auckland schools

The only way to protect your family is to make sure they are vaccinated or immune.

Please see your doctor now to catch up on missed vaccinations. They are FREE at your GP.

If your children are vaccinated, they won't need to stay at home if there is measles at your school.

Keep your child at home if they are sick and watch out for symptoms:

If you or your children show symptoms please stay at home and call your doctor or Healthline (0800 611 116) for advice.
