This policy should be read in conjunction with the Education (Pastoral Care of International Students) Code of Practice 2016 and the Education Act 1989 (section 4B (7) of the Educational Amendment (No 4) Act 1991).

Requests for Refund of International Student Fees

The school will consider requests for a refund of International Student fees provided the request is made in writing to the school within twelve months after the final enrolment date of the student.

A request for a refund must set out the circumstances leading to the refund, name the person requesting the refund, name the person who paid the fees, provide a bank account to receive any eligible refund and provide any relevant supporting documentation.

Refund of Tuition Fees

1. Requests for a refund for failure to obtain a study visa

If an International Student fails to obtain an appropriate study visa, a refund of International Student tuition fees will be provided less an administration and enrolment fee of \$1000.00.

2. Voluntary withdrawal

- a. If your application for a refund is made before the start of your study, your fees will be refunded in full, less the administration and enrolment charge of \$1000.00 to cover costs incurred.
- b. If a student withdraws after the start of their study time, no refund will be made except where the student returns home due to a serious illness or the serious illness of a close family member. Study time encompasses the period that has been paid for and is irrespective of the date the student wishes to withdraw.

In that event the refund will be calculated in accordance with paragraph 3. Immigration New Zealand will be notified of the student's need to return home.
In every case the school undertakes to look fairly at applications for a refund of fees or part-fees.

3. If a student withdraws from a subject, course or programme and is eligible for a refund, the \$1000.00 administration and enrolment fee will be retained and the following deductions will apply:

- Costs to the school already incurred for your time at the school. This includes tuition fees and costs already incurred for the use of facilities and resources.
- Components of the fee already committed for the duration of the course, including appropriate proportions of salaries of teachers and support staff (if applicable).
- The proportion of the Government Levy that the school is required to pay.
- Any other costs already incurred. This would include commission paid to an agent.

4. Requests for a refund for failure to provide a course, cessation as a signatory or cessation to be a provider

If the school fails to provide the agreed course of education or is no longer a signatory to the Code or no longer operates as an international education provider, the school will negotiate with the student or their family to either:

- Refund the unused portion of International Student tuition fees or other fees paid for services not delivered or
- Transfer the amount of any eligible refund to another provider

5. No refunds will be made:

- To a student who is required to leave the school for a breach of the rules and conditions of enrolment at the school or has broken a New Zealand law.
- To a student who acquires permanent residence or a domestic student status visa.
- To a student who wants to transfer to another school or educational institution.
- To a student who returns home for any reason other than the student's serious illness or serious illness of a close family member.

6. The Board of Trustees and Principal have ultimate discretion in any decisions made regarding refunds.
7. You must write a letter to the Principal of the school explaining why you have withdrawn from the course and your reasons for seeking a refund. You must also complete the official leaving process and attach the leaving certificate.
8. All refunds will be paid to either the parents of the student or to an agent with written authority from the parents. No refunds will be given directly to the student.
9. The school has a fee protection policy to safeguard the fees paid by International Students.

Homestay Fees (Based on all homestay fees paid in advance)

1. If you move out of your homestay before the end of your contract the portion of your homestay fees not already used will be returned to your parents, or to the agent appointed by your parents. The homestay placement fee of \$300 will not be refunded. The administration fee will not be refunded for partial terms. The administration fee will only be refunded for full unused terms.
2. To have your homestay fees returned you must have completed the leaving process at school and given two weeks' notice to the Homestay Coordinator, or pay two weeks fees in lieu of notice.

Outstanding Activity Fees or Other Fees

Any activity or other fees incurred by a student during enrolment and unpaid at the time of withdrawal, will be deducted from any eligible refund
