The Gateway Programme is an exciting opportunity for a student to investigate or broaden their future career options by integrating school-based learning with structured learning in the workplace. Students attend a workplace one day a week for approximately 10 weeks, where they gain hands-on practical skills, as well as having their learning in the workplace assessed against up to 20 NZQA standards. Gateway is not a classroom-based subject.

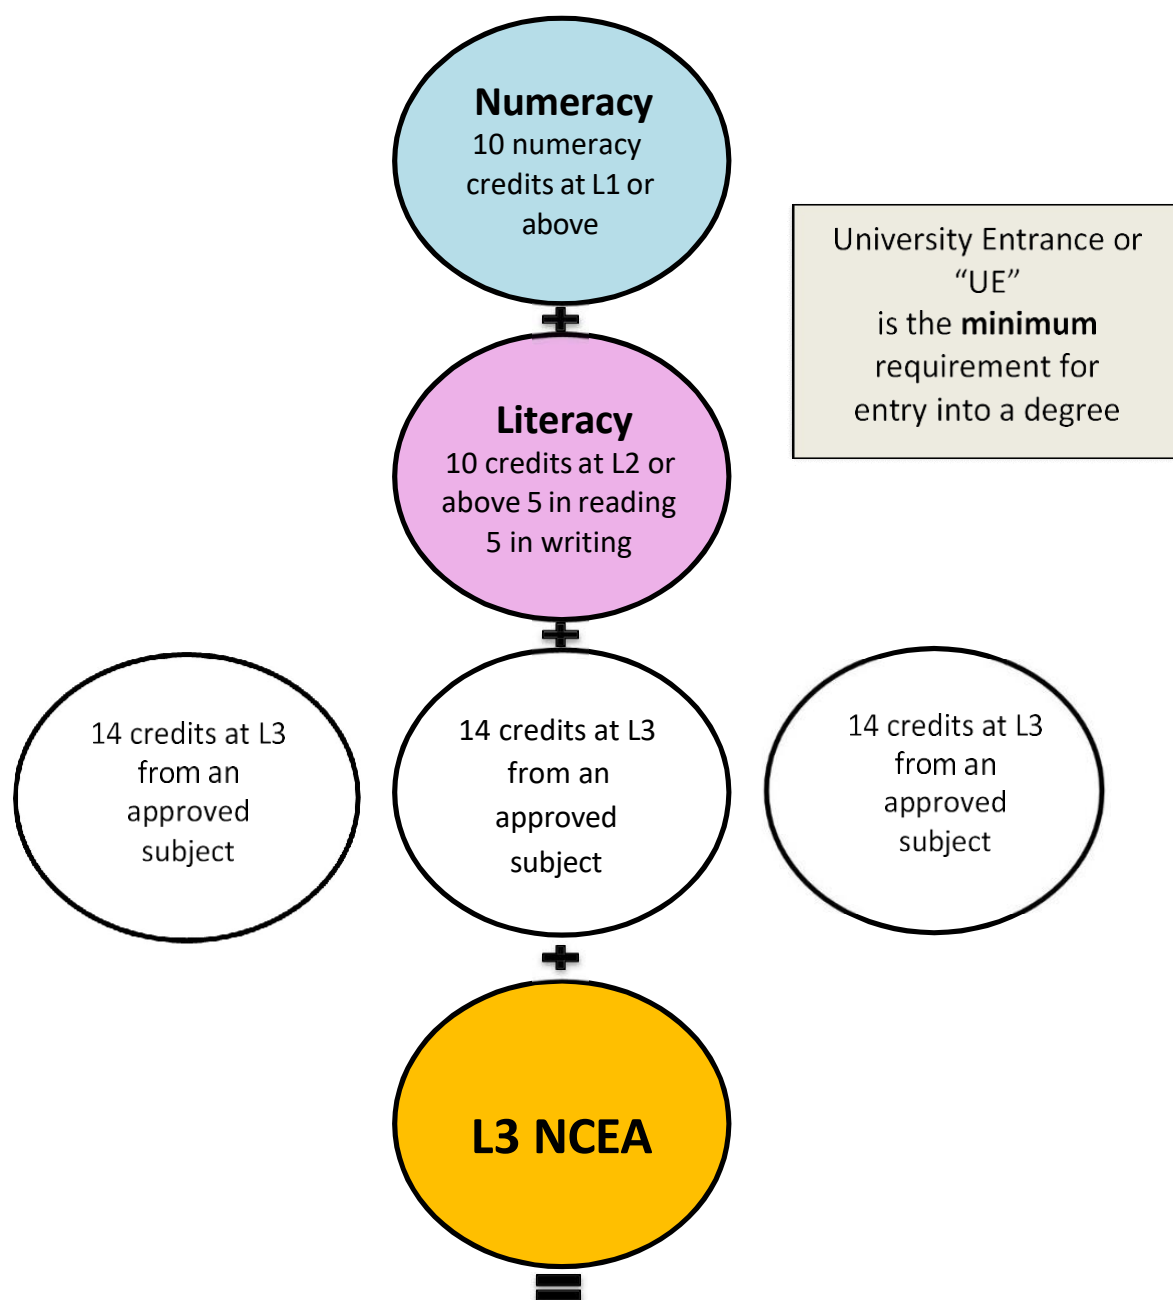

Students with an excellent attendance record and Level 1 Literacy and Numeracy will be selected into this programme, based on a successful interview with our Gateway Coordinator.

Applications are now open for next year. Please see our Careers Centre for an application pack.

They will also study Slasher films as a media genre, considering its evolution through audience and as a money-making Hollywood genre formula.

This course is suited to curious learners who **ask questions and enjoy engaging in critical and creative thinking.**

This course is eligible for Course Endorsement.**Total credits: 21**
