**Important: All international students must have appropriate and current medical and travel insurance while studying in New Zealand.** Insurance pre-paid to the school is from Southern Cross. It is medical and travel insurance.

Please check the website <https://www.scti.co.nz/our-products/international-student/insurance/>

We recommend insurance cover that covers the loss or theft of personal belongings. If you choose to use an alternative insurance company, the school must sight the policy BEFORE the student buys it and before he/she leaves his/her home country. If we do not see an alternative policy, the default policy will be Southern Cross.

If you wish to purchase your insurance through the school, please **complete and return Appendix 3 with the application** and ensure the medical information section on this form is completed fully and accurately to ensure appropriate coverage for the student for any pre-existing conditions they may have. *Please note that we can only purchase International Student travel insurance policies on behalf of those on student visas (i.e. students enrolled for **three months or longer**). Students on visitor visas or NZETA's are **not eligible** to purchase International Student travel insurance through Southern Cross and will have to seek alternative policies (Southern Cross offers visitor insurance policies).*

Below are two links to purchasing **visitor insurance** policies at Southern Cross and Uni-Care. You will be able to pay for the policies online.

# INVESTIGATIONS POLICY

(Schedule Two)

1. The following is One Tree Hill College's current policy for dealing with Disciplinary Actions and Welfare Issues. This is not intended to restrict the School's general powers relating to discipline and this policy may be changed from time to time at the discretion of the School.

## Overview

2. Except in serious situations where immediate termination of the Agreement is necessary, or where the breach does not call for any formal response other than a warning, the School will endeavour, where appropriate, to follow a two-stage investigation process (the Investigation Process).
3. In Stage One, the School will investigate and determine the facts of the situation being considered (**the Situation**), and will reach a conclusion on what happened and whether there is a Welfare Issue or an incident that requires Disciplinary Action or the termination of the Agreement.
4. During Stage One of the Investigation Process, the Student will have the opportunity to provide a response to any subject matter being investigated or to any allegation made concerning the Situation.
5. In Stage Two, if the School has determined some response is required, the School will consider the appropriate outcome for the Situation, up to and including termination of the Agreement.
6. During Stage two of the Investigation Process, the Student will have an opportunity to provide a response to the Situation and any proposed outcome that the School is considering taking (**the Proposed Action**).
7. This policy does not limit the School's power to take appropriate action urgently and without following the Investigation Process if this is necessary having regard to the seriousness of the Situation. Such a determination may be made at any point during the Investigation Process.
8. This policy also does not limit the School's power to require the student not to attend School for the duration of the Investigation Process where suspension is considered necessary for the safety or education of any person.

## General Policy

9. When the School is conducting an investigation involving the Student it will aim to provide the Student with the following:
  - (a) a written summary of the Situation (as it understands it) or the Proposed Action;
  - (b) an opportunity to respond to the Situation or the Proposed Action, either in person or in writing or both, at the choice of the Student;
  - (c) an opportunity to consider the Situation or the Proposed Action for a reasonable period of time (having regard to the seriousness of the Situation or the Proposed Action) before giving a response;
  - (d) an opportunity to contact their Parent before giving a response, unless the delay caused by contacting that person is unreasonable having to the seriousness of the Situation or Proposed Action;
  - (e) an opportunity to have an independent support person of their choice present at any meeting relating to the Investigation Process;
  - (f) an opportunity to meet with that support person in private at any stage during the Investigation Process;
  - (g) an opportunity to have a translator present (or otherwise enable the student participating in the Investigation Process in his or her own language) during any meeting or process if the School or the Student considers that a language barrier means that a translator is required; and
  - (h) a copy of this policy setting out the rights which the Student has when engaging in the Investigation Process.

### **Stage One: Incident Investigation**

10. When the School learns of any incident or any other thing that may be a breach of the Agreement or might otherwise require a disciplinary response, the School will notify the Student of the Allegation and will provide the Student with an opportunity to give a response.
11. Where appropriate, keeping in mind the seriousness of the Allegation, the Student will have the opportunity to respond either in person or in writing or both, at the choice of the Student. The School will receive this response and give it genuine consideration before making a decision about the Allegation.
12. When the School makes a decision about the Allegation it will inform the Student and parent, in writing if possible, about its conclusion as to what happened and whether it amounts to a breach of the Agreement.

### **Stage Two: Outcome Discussion**

13. If the School determines that a breach of the Agreement has occurred, it will inform the Student and parent of the possible disciplinary actions that it will consider taking in response to the breach and will provide the Student and parents with an opportunity to give a response.
14. Where appropriate, keeping in mind the seriousness of the breach, the Student and parent will have the opportunity to respond either in person or in writing or both, at the choice of the Student. The School will receive this response and give it genuine consideration before making a decision about the disciplinary action to be taken.
15. When the School makes a decision about the disciplinary action that it will take in response to the breach it will inform the Student and parents of its decision, in writing if possible. The disciplinary action will not take effect, and no actions will be taken to put it into place, until the Student and parents have been informed of the decision.

## Request for a refund for failure to obtain a study visa

4. If the Student fails to obtain an appropriate study visa, a refund of international student tuition fees will be provided less any non-refundable fee that has been paid. Evidence must be provided to the school of Immigration New Zealand declining to grant a visa.

## Requests for a refund for enrolment of one term or less

5. Where the student is enrolled for one term or less and withdraws early, either before or after the start date of enrolment, other than where they have failed to obtain an appropriate visa and have provided evidence of this, there will be no refund of tuition fees or other relevant non-refundable fees.
6. Where the school terminates the enrolment of a student enrolled for one term or less, there will be no refund of tuition fees, or other relevant non-refundable fees.

10. If the School fails to provide the agreed course of education or is no longer a signatory to the Code or no longer operates as an international education provider, the School will negotiate with the Student or their family to either:

The student will be treated as having voluntarily terminated the Agreement on this date and any refund will be calculated accordingly. The Student will be treated as having given no prior notice for the purposes of clause 9 of this policy, unless the Student has previously advised the School in writing of the Student's intention to apply to Immigration New Zealand for a visa that will result in a change of status. In the event that notice of an intended change in status is given, the period after this notice is given will be counted as part of the notice period for the purpose of clause 9.

**Where a student voluntarily requests to transfer to another signatory**

14. If the Student requests to transfer to another signatory after the commencement of their enrolment, a minimum of 10 tuition weeks of prior notice is required. This notice period does not include weeks that fall during scheduled school holidays. The notice period will begin the day after the School receives written notice that the Student requests to transfer to another signatory. Where less than 10 weeks' notice is given, any refund may be calculated based on the refund that would have been due if the termination had taken place 10 weeks after notice was given.

**Refund of other fees****Requests for a refund of Homestay fees**

15. If for any reason, the Student withdraws after their stay in a School Homestay, any unused Homestay fees will be refunded, less any relevant non-refundable fees set out in this policy.
