Tips

- Keeping to a routine is important. Use a timer on your laptop to signal when your breaks start and stop <https://vclock.com/>
- If you get stuck with work set or can't find something, do not panic, email your teacher or the subject contact and then move on to another topic/subject.
- Teachers will be available during the day for emails, phone calls and video meetings with you. Give them 24 hours notice that you would like to talk to them by sending an email and they'll arrange a suitable time for a call/ video meeting. When requesting a phone call or video meeting be as specific as possible as to what you need help with – email your questions or the information you need clarified.
- If you are feeling anxious or worried, talk to an adult at home or over the phone. The school counsellors are available for online counselling. Please see the Student Services tab of the [Level 1 Digital 2020](#) Notebook for details.
