If you and your family have any queries regarding your child or events happening at school, please do not hesitate to contact us.

Communication with parents and caregivers is essential. **Most communication sent to parents/caregivers from the College is via email. Please check email accounts regularly and advise the school of email address changes.**

**KAMAR Parent Portal and App** – all families are issued with portal log on details for the start of term 1. Please check the portal for daily notices, achievement updates and other information relevant to your child. There is a smart phone app that can be downloaded to access the portal – search for KAMAR.

## **COLLEGE ROUTINES**

### **Absence from school**

Please phone the Attendance Officer if your child is unable to come to school **(09 579 5049, ext 846)**.

A letter will be sent home if a student misses three consecutive days without explanation.

After an absence, students must bring a note stating the number of days and the reason for the absence. This note must be signed by a parent or caregiver and be given to the whānau teacher even if there has already been phone contact. Absence from school for holidays or travel within NZ or overseas is to be applied for in writing to the attendance officer. Such requests are granted at the discretion of the Principal.

The Attendance Officer may send a text notification if your child is absent and the College has not been informed of the reason. You may contact the Attendance Office via email to forward copies of medical certificates etc. [attendance@onetreehillcollege.school.nz](mailto:attendance@onetreehillcollege.school.nz)

### **Assemblies**

The College runs senior and junior assemblies weekly. Assemblies take place in the Marilyn Wales Auditorium. Students are expected to sit in their allocated whānau class areas and behave in a manner appropriate to a formal occasion. Special Assemblies take place at various times of the year to recognise and celebrate specific achievements and events.

### **Canteen**

The school canteen is open at morning tea and lunchtime and serves a range of healthy food. Cash and Eftpos is accepted as payment at the school canteen. Bottled water is sold at the canteen and we have a number of water fountains around the school for students to fill water bottles.

### **Class Attendance**

An electronic roll will be taken at each class and whānau time. Students are expected to attend every lesson.

### **Computer user accounts**

All students are allocated a student log on and password that allows them access to the school network. If students experience any issues they should speak to their teacher in the first instance and then see the technicians in the ICT office, next to the Knowledge Centre in Kowhai Block.

### **Contact and personal details**

If you have a change of address, phone number, email address, name etc. please advise the College through Student Services. Where students advise of changes we will confirm changes with a parent/caregiver before updating a student's record.

### **Counselling**

Counselling services are offered via our Student Services Team. Students should book an appointment via the online booking system that can be accessed on the school website.

### **Daily notices**

Students are advised of events, changes to the weekly/daily programme, co-curricular activities etc. via the daily notices. Students and parents can view daily notices on the online portal and the KAMAR app.

### **Dental services**

Lumino Dental Service visits the school during the year to undertake screening and treatment. The school dental service is free of charge.

### **Emergency evacuation and lockdown procedures**

When the evacuation siren sounds, all students, staff and visitors are to quickly evacuate the buildings and assemble on the back field adjacent to the turf according to whānau classes. Rolls will then be marked and all people accounted for. In the case of a lockdown, the bell will ring at intervals to signal lockdown is to commence. Staff and students will be advised to either remain inside or make their way to the nearest indoor lockable space. In the event of an incident, the school will communicate with parents/caregivers via email/text message as directed by emergency services.

### **Hours of school**

- School starts at 8.45am each day, except for Tuesdays when period 1 starts at 9.15am.
- **Students are expected to be at school by 8.35am** and in their whānau class at 8.45am.
- Students arriving after 8.45am are recorded as late to school. Students that arrive after 8.45am must report promptly to the Attendance Officer in Student Services.
- The school day finishes at 3.20 pm
- Sports practices usually finish at 4.30 pm
- Students are expected to travel directly home from school after lessons and practices finish

### **Incorrect uniform**

Students wearing non-uniform items must report to the uniform room (next to K1) at 8.45am with a note from their parents/guardian. In most cases a replacement uniform item will be loaned for the day. Students need to return borrowed items on the same day by reporting to Student Services after school. Students that wear incorrect uniform in classes or the playground during the day are likely to have it confiscated to be collected from a staff member at the end of the day. Confiscated non-uniform items can be collected at the end of the day by students from the relevant staff member.

### **Laptops and wireless access**

All students are required to bring their laptop to school on a daily basis. All students have access to the school network via the extensive wireless system throughout the school. Students are reminded that all technology is to be used under the direction of their teachers in a safe and responsible manner. The school uses Office 365 as the online teaching and learning platform. Teachers will provide links to subject and class materials to students at the start of the school year.

### **Leadership**

There are many opportunities for student leadership across all year levels. Students will be advised of events, leadership groups and opportunities via the daily notices. Each whānau also has leadership opportunities and roles to be fulfilled.

### **Leaving processes**

If your child is leaving school at any year level other than Year 13, please inform the school so that a leaving form can be completed prior to your child's last day. The leaving process allows for the student's commitments to be fulfilled including the return of all books and other items and closure of accounts.

### **Leaving the school grounds during the day**

Students must remain on the school grounds throughout the day, unless granted a leave pass from the Attendance Officer. This requires a note from home or written permission from a Whānau Leader, AP or DP. We ask that parents/caregivers make appointments outside of school hours as much as possible as this prevents students missing valuable learning time. Parents are expected to report to the front reception to sign students out of school during the day. We do not permit students to leave during the day with people other than their legal guardian/parent noted on the enrolment form without the express permission of the parent/legal guardian.

### **Lost property**

All personal property and uniform must be clearly named. Please report to the Student Services Centre if you have lost/misplaced any items to check the lost property. The school takes no responsibility for lost personal property.

### **Mobile phone use**

Mobile phones and headphones are only to be used **outside** of the school buildings. If students are seen using their phones or earphones inside, they will be confiscated. The first offence will result in the student having their phone returned at the end of the school day by a Deputy/ Assistant Principal. Subsequent misuse of phones and headphones will require a caregiver to collect the item from one of the Deputy/ Assistant Principals at the end of a school day upon arrangement.

### **Payments to the school**

Payment may be made to the College at our Student Services Centre or school front reception by cash, a cheque made out to One Tree Hill College, by EFTPOS or by internet banking to: One Tree Hill College 12-3023-0600686-00, Reference: *Student Surname, First Name, activity/payment reason*. Parents are able to set up an automatic payment to take care of the school subject materials, trips, sports etc. If you have any questions regarding charges/accounts, please contact Student Services Reception.

## **PTA**

The school PTA meets monthly to plan activities and events to support the College. If you are interested in joining the PTA, please contact the school office. ([office@onetreehillcollege.school.nz](mailto:office@onetreehillcollege.school.nz))

## **Reporting to parents/caregivers**

Parents will receive two written reports each year detailing the academic progress of their child. The dates are noted on the school website. Three parent-teacher interview days will be held in 2021. We strongly encourage all parents and caregivers to attend these days.

## **School gates**

The school gates are locked for 30 mins (8.30-9.00, 3.00-3.30pm) before and after school. Parents and caregivers are asked to make arrangements to drop off and collect students outside of the school grounds.

## **Sickness & injuries**

A student who needs medical attention while at school should report to the Student Services Centre to see a School Nurse. Students with non-urgent matters will not be seen in class time, they will be asked to make an appointment for interval, lunch or after school. Students are able to request an appointment through the school website. Parents will be contacted to collect sick/injured students from school if required. In the case of an emergency, first aid will be administered and an ambulance called if required. The school also provides weekly access to a doctor and physiotherapist by appointment.

If your child is experiencing ongoing medical issues you should contact one of our school nurses to discuss. If absence from school is a result of sickness/injury, please follow normal absence procedures.

## **Sports and cultural activities**

The College offers a range of co-curricular sporting, outdoor education, arts and cultural activities for students to participate in. Students are advised to carefully read the daily notices for information. Mr Brian Faunt is the Sports Director and can be contacted via email: [bfaunt@onetreehillcollege.school.nz](mailto:bfaunt@onetreehillcollege.school.nz)

## **Student email**

All students are issued with a school email account upon enrolment. Teachers and the school administration will use email to communicate with students. Students should direct their school email to their own web-based email account or regularly check their school email account. Student email addresses are formatted as: [firstname.surname@my.othc.school.nz](mailto:firstname.surname@my.othc.school.nz). Student email is web-based and accessed via their Office365 login.

Student timetables are also accessible through the parent portal. All students in Years 9-12 are required to study a range of compulsory subjects. Students are given subject choice via 'option' subjects. Option choices are carried out early in term 3. First choice of options are not always possible due to timetable constraints. Parents/guardians are encouraged to speak with Facility Leaders, careers staff, Whānau Teacher, Whānau Leaders or APs in the case of any specific concerns.

## **Travel to and from school**

Auckland Transport operate a number of buses exclusively for One Tree Hill College Students to and from school in our local school zone. Buses drop students off in the morning in the carpark off Rockfield Road and collect students from the same place. Students catching afternoon buses should report to the bus waiting area at the back of the school gymnasium by 3.30pm. Please see <https://at.govt.nz/> for route and payment information. We expect the highest standard of conduct for all students travelling to and from school. Where a school bus operates, students are expected to take the school bus to and from school. Students travelling beyond the school bus routes and taking public transport are expected to adhere to school behavioural expectations at all times. Students travelling by bus or train are to wait in an orderly manner at the train station/bus stops and catch the first available train/bus. Students should not congregate at the Ellerslie shopping centre or on the train platform after school.

## **Valuables**

The school accepts **no** responsibility for unnecessary valuables, mobile phones, i-pods or large sums of money brought to school. Such items should be handed in to the Student Services Centre for safekeeping. Items that are interrupting learning will be confiscated and handed to a DP or AP for safekeeping or issuing back to parents/guardians.
